DETAILED ACTION

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Raymond Miller on May 5, 2010. During the telephone interview, the Applicant was advised to file a continuation and make claim 53 an independent claim.

The application has been amended as follows:

- 1) Cancel claim 53.

EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

Applicant's amendments to the claims filed January 20, 2010 has been fully considered. In light of the Applicant's amendments and Examiner's amendments, claims 48, 54-59 and 61-63 are allowed and renumbered to claims 1-10.

In light of the amendments to the claims, the 35 U.S.C. 112, first paragraph rejection of claims 1, 3-6, 13-16 and 25-63 is withdrawn.

Below is the examiner's statement of reasons for allowance. The claims 48, 54-59 and 61-63 are drawn to a method of treating erythema resulting from rosacea comprising administering oxymetazoline topically as the sole active agent. There is no prior art teaching oxymetazoline treating erythema. The closest prior art is Yu et al. (US 2004/0220259 A1) which teaches that oxymetazoline (see claims 2 and 26) in a long list of compounds in combination with another active agent treats disorders associated with dilated blood vessels such as rosacea (see claims 1 and 4; page 1, paragraph 5, last 2 lines and paragraph 11, lines 1 and 12). Since the art does not teach that oxymetazoline specifically treats rosacea or specifically the erythema associated with the rosacea, the claims are allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to KENDRA D. CARTER whose telephone number is (571)272-9034. The examiner can normally be reached on 9:00 am - 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Sreeni Padmanabhan can be reached on (571) 272-0629. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>.
